

Dear Member

May 1953

You are receiving this letter because
We think there seems to be a strong Sentiment
Among the members of the Mishicot and Rockwood
Lutheran Congregations to make a gift of a new
Car to our Pastor. Rev. Ed. Zell

We feel this should be entirely willing and are
contasting all the members by letters.

Wewould like to do this within a very short time
Andwould also like it to be a surprise.

Will you bring your offering to either of the
Below signed parties just as soon as you can,.
